Hello, and thank you for meeting with us!

I would like to share with you this recent article in Harper's magazine that may provide useful context for the upcoming Corps decision.

<https://vimeo.com/223976575> will take you to Ours is the Land, a short film produced by the Tohono O'odham Nation about the Santa Rita Mountains and Rosemont mine.

Regards,

Julia Fonseca, Environmental Planning Manager
Pima County Office of Sustainability and Conservation
